

Haltom City needs your donations!

The amount of voluntary contributions has greatly decreased in recent years. Please consider a donation to your City department(s) which can be included in your water bill payment.

Some examples of how your donations are spent include:

- 1) Police Department- Specialized training and equipment to enhance officer safety and law enforcement response to critical incidents**
- 2) Fire Department- Fire-retardant safety gear, additional life-saving equipment for fire trucks**
- 3) Parks & Recreation Center- Park improvements to include new equipment and amenities, repairs to old equipment and other site amenities, sports equipment, and funding for special events and student scholarships**
- 4) Senior Center- Increased meal distribution for seniors, severe weather emergency equipment**
- 5) Animal Shelter- Food, medicine, veterinarian treatment, micro-chipping, and improved safety devices**
- 6) Library- Supplies for children's and after-school programs; more wi-fi hot spots for rentals**

To make a one-time or recurring donation, contact Haltom City Utility Billing Department:

Phone: 817-222-7717; Email: utilitybillingdept@haltomcitytx.com
